PHA Plan Update

(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:

Updated PHA Plan Elements

1. Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures.

For 2010, the HCV Waiting List will close on June 30, 2010. Households that are currently registered for the Waiting List or who register prior to June 30th will remain on the list until they are selected, withdrawn, or voluntarily removed. There are no other changes to eligibility, selection, and admission policies for 2010.

2. Financial Resources.

Please see attached **Statement of Financial Resources**, which includes listings by general categories, of the Agency's anticipated resources for FY 2010, such as PHA Operating, Capital and other anticipated Federal resources, as well as tenant rents and other income available to support public housing and tenant-based assistance. The statement also includes the non-Federal sources of funds supporting each Federal program, and the planned use for the resources.

3. Rent Determination.

For 2010, the Agency has made no changes to the policies governing rent determination. The established payment standard amounts are in accordance with federal regulations and are within 90-110% of HUD Fair Market Rents published annually. Flat rent rates for the Affordable Public Housing program have been updated based on the current fair market value for each area.

4. Operation and Management.

For 2010, the Agency has made no changes to Operations or Management.

5. Grievance Procedures.

For 2010, there are no changes to the grievance procedure policies.

6. Designated Housing for Elderly and Disabled Families.

For 2010, there are no changes to housing designated for elderly and disabled families.

7. Community Service and Self-Sufficiency.

For 2010, there are no changes to Community Service and Self-Sufficiency policies/programs. We continue to administer the Family Self-Sufficiency program for HCV participants and the Resident Opportunity and Self Sufficiency for residents at the El Dorado, Quinto del Sol, and the Cathedral City Public Housing communities.

8. Safety and Crime Prevention.

For 2010, there are no changes to the PHA plan regarding Safety and Crime Prevention.

9. Pets.

For 2010, there is no change to our pet policy.

10. Civil Rights Certification.

The Administrative Plan includes a detailed description of the Agency's steps to affirmatively further fair housing. Additionally, the Agency works closely with the Fair Housing Council of Riverside County to address any identifiable impediments to fair housing within the jurisdiction. Fair housing impediments are evaluated annually as part of the County's Consolidated Planning process.

11. Fiscal Year Audit.

For Fiscal Year Ending June 30, 2009, the Housing Authority received an Unqualified auditor's opinion on compliance for major programs; and there were no material weaknesses or significant deficiencies identified in its financial statements. Please see attached **Fiscal Year Audit**.

12. Asset Management.

The agency continues to employ the Asset Management Plan described below and monitor the operational performance of each AMP.

The Housing Authority of the County of Riverside's (HACR) new asset management model eliminates the centralized functions and incorporates a property specific focus. Inventory that was stored at the Indio warehouse has been disbursed to individual sites and an inventory list has been compiled for each site. The building of offices and workshops for the Public Housing Property Managers to conduct normal daily duties and the Maintenance Workers to perform their daily work are near completion and will facilitate the autonomy of each site. Both central warehouses have been eliminated under this model. Services by the Public Housing Property Manager and the Maintenance Worker will be site specific and the HACR will no longer operate out of two centralized offices and warehouses. On a quarterly basis information is gathered regarding the financial, physical, and management performance of each property. The reports detail move-outs, vacant unit turnaround times, lease renewals, unit work order status and evictions. This information has been utilized to determine whether or not a property is performing according to standards. These quarterly reports are maintained by the Director of the HACR. If a property is identified as non-performing, staff then proceed to make recommendations that address the areas of non-performance. The HACR Fiscal department has been monitoring all fiscal and budget performances via monthly budgets vs. actual reports and financial statements. The HACR will continue to utilize the Capital Fund Program to modernize our units. The AMPs will be monitored to ensure they are not operating at a loss. Any that are will be considered for disposition in the future.

13. Violence Against Women Act (VAWA).

For 2010, the only change to the Agency's VAWA policy is the identification of a staff liaison to provide general VAWA information and assist families with the VAWA process.
