

State Reason for Request and Nexus to Disability:

THE HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE REQUEST FOR REASONABLE ACCOMMODATION FOR WAITING LIST REGISTRATION FOR PERSONS WITH DISABILITIES

The HOUSING CHOICE VOUCHER (Section 8) Waiting list reopened to the general public on 7/1/2015. The waiting lists for the following programs remain open: AFFORDABLE PUBLIC HOUSING, MOD REHAB AND PROJECT-BASED RENTAL ASSISTANCE. Registration is accepted ONLINE at www.harivco.org

If the Head of Household/Spouse/Co-Head is a person with disabilities, you may utilize this form to request that the Housing Authority of County of Riverside (HACR) provide a reasonable accommodation so that the person with a disability may register (or update information) for one or more rental assistance programs, otherwise please use the ONLINE registration portal at www.rivcoeda.org.

Please explain the reason for the request and the nexus (connection) to the disability as to why the ONLINE registration process from the HACR website www.harivco.org is unable to be utilized for the person with disabilities to register/update. Not having internet/computer access is not a sufficient reason as internet/computer access is available at public libraries and other locations for public use. Your request and verification will be reviewed by a panel of Housing Authority staff and either approved or denied. You will be notified of the result.

Note: It is your responsibility to keep your information current. If you fail to report address changes and mail is returned to us, your name will be withdrawn from ALL waiting lists and you will need to re-register. Between October 1st and December 31st of every year, registrants are required to update their waiting list registration once annually using the Housing Authority's web-based waiting list portal. An annual update is required, regardless of whether there are any changes to the household's registration information. Failure to do so will result in the withdrawal of all waiting list registrations. Reasonable Accommodation (RA) requests will be accommodated should a registrant who is a person with disabilities be unable to use the web-based portal. Reasonable Accommodation requests must be submitted in writing during the October-December update period. All other RA requests submitted by persons with disabilities will be reviewed and considered for approval based on verification and nexus. Failure of the household to update their registration during the annual 3 month update period will result in the registrant being removed from all waiting lists."
